

PLANNING NON-MATERIAL VARIATION SERVICE – REQUEST FORM

Please complete & return to nonmaterialvariations@edinburgh.gov.uk

To request a non-material variation on an existing planning application. Please read the [Customer Service Guide](#) before submitting.

Please include as an email attachment (in PDF format, maximum 10 MB) a location plan with the site outlined in red (1:1,250 or 1:2,500 scale) and the relevant plans showing the proposed variations.

Drawings should be to the same scale as those approved under the planning permission and the proposed variations should be clearly highlighted in colour. Applicants are requested to provide the original drawing numbers as per the Council's planning portal references in the original application.

The charge for this application is used in part to assess whether the requested change(s) is/are non-material. The fee is non-refundable if the Council determines that the changes are material.

3	DEVELOPMENT PROPOSAL	
	Address/ location of the proposed development.	Former Boroughmuir High School 26 Viewforth Edinburgh
	Specify the reference number(s) for the planning application and any existing NMV application(s) that this application refers to. Please include the relevant case officer name if known.	18/02497/FUL Laura Marshall
Please describe the nature of the variations sought, clearly noting each specific matter that requires to be assessed. (Please include the planning portal drawing number reference for the previously consented drawings which identify each variation).	The proposed works involve alterations to three external dry risers, changing their configuration from ground-mounted to free-standing units. These changes are intended to improve visibility and accessibility for fire services during emergencies. The proposed alterations will not affect or alter the existing elevations of the former Boroughmuir High School building. The recommendation to reposition the dry risers has been made in consultation with both the Planning Officer and the Fire Authority. The revised arrangement will ensure the dry risers are unobstructed and clearly identifiable, thereby enhancing operational efficiency and safety for emergency responders.
