(This will help the authority to deal with this application more efficiently.) * (max 500 characters)

It was discussed with Alan Moonie that the use of the units proposed may be considered incidental to the main function of the shopping centre and would primarily be used by members of the public visiting the centre. However, advised we may wish to consider submitting a certificate of lawfulness (proposed) to obtain a formal determination from the planning authority in respect of this position. It was advised that it would not involve a material change of use.

Any other Particulars or Supplementary Information

Please provide any other particulars or information here which you consider may be relevant.: * (Max 500 characters)

The proposed units form part of a current planning application reference: 25/00707/FUL we seek a certificate of lawfulness here so that the detailed design of each unit ie materials and colour scheme could be conditioned if permission were to be granted. So the proposed units may be designed by future tenants under separate applications.
