Type of Application

This application is to ascertain whether one or both of the following would be lawful: *

- ☐ Proposed use of buildings or other land.
- ☒ Proposed operations to be carried out in, on, over or under land (building operation or development).

Please describe in detail the use or development/operations for which you are seeking the certificate: * (Max 500 characters)

Currently we have two large single glazed windows at the front of our flat. Seeking to replace both windows with double glazed windows to improve energy efficiency. The replacement window specifications are double glazed with 6mm toughened glass & hardwood timbers. The new windows will keep the original size and have either 3 vertical or horizontal panes. We are currently working with glazier to finalise design. Due to substantial cost we are seeking Certificate of Lawfulness before proceeding.

Any other Particulars or Supplementary Information

Please provide any other particulars or information here which you consider may be relevant: * (Max 500 characters)

Our current single glazed windows offer very little energy efficiently. The flat is difficult to heat in winter using electricity only. Our current Energy Performance cert rating is E. Double glazing significantly improves energy efficiency by reducing heat loss through windows, leading to lower heating bills and a more comfortable home. We plan to keep current window sizing to stay in keeping with the street view. A similar flat in our tenement has updated their windows to double glazing.

Window replacement designs Here are basic drawings of what the new street view window frame would look like. There are 2 design options, our preferred, is the vertical design allowing for easier cleaning. The existing window sizes are- Comely Bank Ave - W 2450mm x H 3170mm Comely Bank Place W 2685mm x H 3170mm The cost quote is currently being drawn up, the glazier may determine glass lay out due to handling weights. We understand that horizontal may be the council choice.
