Existing and Proposed Uses

Please describe the current use: * (Max 500 characters)

The current door is badly worn, poses safety risks, and does not meet modern fire regulations. We wish to replace it with a compliant, secure door to ensure safety while respecting the character of the property.

Please describe the proposed use: * (Max 500 characters)

The new door will be fire-rated, secure, and in keeping with the building's character. It will improve safety and functionality while maintaining a sympathetic design appropriate for the listed property features.

Pre-Application Discussion

Have you discussed your proposal with the planning authority? *

☒ Yes ☐ No

Pre-Application Discussion Details Cont.

In what format was the feedback given? *

☐ Meeting ☒ Telephone ☐ Letter ☒ Email

Please provide a description of the feedback you were given and the name of the officer who provided this feedback. If a processing agreement [note 1] is currently in place or if you are currently discussing a processing agreement with the planning authority, please provide details of this. (This will help the authority to deal with this application more efficiently.) * (max 500 characters)

As discussed, you will not require a building warrant for the replacement of the front door to your flat, but you are required to install a door which meets the building regulations. The new door must provide 30 minutes fire separation from each side, have a minimum of 3 hinges, be self-closing, and be fitted with intumescent strips and smoke seals. I would suggest that you get a copy of any fire test certification for the door.
