Existing and Proposed Uses

Please describe the current use: * (Max 500 characters)

Deaf Action exists to support the diversity of deaf people, including deaf users of British Sign Language (BSL), and those who are deafened, deafblind or hard of hearing. Our work is geared towards empowering all deaf people to achieve their potential and fully participate in society, with equality of rights, access and opportunity. Established in 1835 our services include equipment, interpreting, youth work, social work and social activities.

Please describe the proposed use: * (Max 500 characters)

We have an external lift at the front of the building (Albany Street) to assist wheelchair users and people who can't manage stairs into the building. There are 5 steps up to get to the front door, so the lift is crucial for accessibility for our users. The lift is out of use at the moment and so we have engaged Stannah to quote for a new one. This is largely like for like apart from a lower gate so it will look slightly different to the old one.
