**Subject:** RE: Application No: 25/03099/ADV JC+P 2793

Good morning David,

Thank you for your response, it's much appreciated.

Please see the below list detailing the proposed advertisement signage:

- Side canopy (west elevation)
- Front canopy (south elevation)
- Side canopy sign (east elevation)
- Side entrance recess (east elevation)

Canopy logo to be mechanically pinned and fixed to façade with profile cut champagne logo elements fixed to opal acrylic spacer to allow for halo illumination to signage. Individual letters to be halo-lit with 2700K warm white illumination by night and to be controlled with automated dimmer switch. Lighting to be concealed within the façade and to be progressively dimmed throughout the evening. Overall canopy logo dimensions to be 825mm x 800mm x 12mm.

Entrance plaque to be a fabricated champagne gold panel with bevelled edges pinned and chemically fixed to wall. Logo to be engraved 1mm deep and letters are to be filled with paint. Overall entrance plaque dimensions to be 300mm x 540mm x 15mm.

I'd like to apologise for the missing the entrance plaque signage when I had filled in the application. I had submitted this on behalf of my colleague so I was unaware that there was also this sign in addition to the canopy advertisement.

If there is any further information you require, please let me know.

Kind regards,

**Rachel Findlay BSc (Hons)**

Hi Rachel,

**100716187-001**  
**25/03099/ADV**  
**Mercure, 53 Princes Street – ‘Canopy’**

Simply list all the proposed signage/works related to this ‘advertisement consent’ back to me here by reply, that’s it!

Best wishes, David.
