Addition of a external compressor store to rear garden of property. Previous approval (23/02573/LBC) was granted for a store to the other side of the garden but due to an increased space requirement this location is no longer feasible. New application is for the same store only larger and to the other side of the garden.

Has the work already been started and/or completed? *

☐ No ☒ Yes – Started ☐ Yes - Completed

Please Note: it can be a criminal offence to undertake works that require listed building consent in advance of obtaining consent.

Please state date of completion, or if not completed, the start date (dd/mm/yyyy): *

20/01/2025

Please explain why work has taken place in advance of making this application: * (Max 500 characters)

There are approved works currently underway on site that these works are to be carried out in conjunction with. At this point in time preparation for a slab to the compressor store has been carried out only. I have put the contract start date of the works as a whole. We are applying at this point as an amendment to previously approved works.
