- Application for planning permission (including changes of use and surface mineral working).
- Application for planning permission in principle.
- Further application, (including renewal of planning permission, modification, variation or removal of a planning condition etc)
- Application for Approval of Matters specified in conditions.

## Description of Proposal

Please describe the proposal including any change of use: \* (Max 500 characters)

The small parcel of land to the immediate west of our property is currently designated as open space. It has been used primarily as a dog toilet. I have maintained this land since we occupied this property to keep it tidy. We would like to include this land as part of our garden. I have tried to establish who the current owners are to no avail. It does not belong to the Council and has not been maintained by the Council since I started maintaining it myself.

Is this a temporary permission? \*  Yes  No

If a change of use is to be included in the proposal has it already taken place?  
(Answer 'No' if there is no change of use.) \*  Yes  No

Has the work already been started and/or completed? \*

No  Yes – Started  Yes - Completed

Please state date of completion, or if not completed, the start date (dd/mm/yyyy): \*

Please explain why work has taken place in advance of making this application: \* (Max 500 characters)

I had tried via the Council and Land Registry to clarify ownership of the land in question. Anecdotal evidence implied that the land actually belonged to the property as the previous owner used part of the land to park his motorhome. The hardstanding built has been adopted by the council, we are led to believe
