Dear Sir/Madam,

Notification under Part 20, Class 67 of the Town and Country Planning (General Permitted Development) (Scotland) Order 1992 (as amended) and Notification under the Electronic Communications Code (Conditions and Restrictions) Regulations 2003 (as amended) to utilise permitted development rights at:

Cell Ref: CS-10864026 VF-019559 VMO2-003718
Address: Telecommunications site at 555 Gorgie Road, Edinburgh, EH11 3LE
NGR: 321683, 671500

Cornerstone is the UK's leading mobile infrastructure services company, acquiring, managing, and owning over 20,000 sites and with a commitment to enable best in class mobile connectivity for over half of all the country's mobile customers. They oversee works on behalf of telecommunications providers and wherever possible aim to:

- Promote shared infrastructure
- Maximise opportunities to consolidate the number of base stations
- Significantly reduce the environmental impact of network development

Please accept this letter and its enclosures as formal notification, in accordance with the above Regulations, that Cornerstone, Limited intends to utilise permitted development rights as identified in Part 20, Class 67. This letter, therefore, provides formal notification in writing, 28 days' notice in advance, of the intention to install the following electronic communications apparatus at the subject address:

- Removal of 6No. antennas, 1No. cabin (3250x1200x2800mm) and all ancillary development
- Installation of 10m lattice stub tower with headframe, 12No. antennas (RAL7035 Grey), 2No. 300 dishes (RAL7035 Grey), 2No. 600mm dishes (RAL7035 Grey), 6No. cabinets (1No. 823x600x1721mm; 2No. 680x750x2220mm; 1No. 725x850x2100mm; 2No. 650x600x2000mm) (RAL7035 Grey), and all ancillary development

Every element of the proposal has been limited in size and amount to a minimum operational requirement to ensure the delivery of public benefit via the improved mobile network services it will provide to those who live, work and travel in the local area.

The following planning drawings have been enclosed to assist you in identifying the site in question and which detail the proposed development:

In the first instance, all correspondence should be directed to the agent.

- Detailed Design (DD) Plans 100A, 200A, 201A, 300A, 301A

Certification has also been enclosed confirming that the proposed development has been designed to be fully compliant with the public exposure guidelines established by the International Commission on Non-Ionizing Radiation Protection (ICNIRP). These guidelines have the support of UK Government, the European Union and they also have the formal backing of the World Health Organisation.

For the avoidance of doubt this letter does not constitute:

- An application for a determination as to whether the prior approval of the Authority will be required to siting and appearance; or
- An application for planning permission

No fee is required for this notification.

We trust that this information is useful in assisting your department to maintain an accurate and up to date register of telecommunications installations. Our clients are eager to initiate early development in order to integrate the radio base station at the above location and would be grateful if you could provide your acknowledgement that the proposal is permitted development at your earliest convenience.

Should you have any queries regarding any aspect of this correspondence, please do not hesitate to contact the undersigned quoting the subject cell reference.

Yours faithfully
