Description of Proposed Works to Listed Building

Are the proposals to alter, extend or demolish the listed building(s)? *

☒ Yes ☐ No

If Yes, please provide further details: * (Max 500 characters)

Required: New metal trunking containment system in communal area of stairs, with the cables passing through the landings to Flats 1 and 2. A new distribution board to be installed at point of supply, feeding an individual cable for each flat with a new fuse installed in each property connected to the existing meter. Depending on the meter positions within the flats, there may be a requirement for a white PVC trunking to contain the cable and we may also have to install fall arrest scaffolding.

Has the work already been started and/or completed? *

☒ No ☐ Yes – Started ☐ Yes - Completed

Please Note: it can be a criminal offence to undertake works that require listed building consent in advance of obtaining consent.

Applicant or Agent Details

Are you an applicant or an agent? * (An agent is an architect, consultant or someone else acting on behalf of the applicant in connection with this application)

Existing and Proposed Uses

Please describe the current use: * (Max 500 characters)

An electricals review at the time of purchase reported the following finding: "Main Earth Supply – The main earth supply to the property is in poor condition, which increases the risk of electric shock. This issue must be rectified by contacting Scottish Power, as they are the only ones who can fix this."

Please describe the proposed use: * (Max 500 characters)

Quartzelec Ltd are a sub-contractor on behalf of ScottishPower Energy Networks. They identified the need to modernize the electrical supplies into all the flats in the building, including the following: New metal trunking containment system in the communal area of the stairs, with the cables passing through the landings to the flats. New distribution board at the point of supply, individual cables for each flat with a new fuse installed in each property connected to the existing meter.

This was the response I received "Unfortunately without knowledge of the site and internals of the building it is not possible for me to advise whether listed building consent is required based on the below. You will need to make an assessment of this, or contact a suitably qualified consultant for them to provide you with advice. Please refer to pages four and five of the Council's Listed Buildings and Conservation Area guidance for further information."
