Type of Application

This application is to ascertain whether one or both of the following would be lawful: *

- Proposed use of buildings or other land.
- Proposed operations to be carried out in, on, over or under land (building operation or development).

Please describe in detail the use or development/operations for which you are seeking the certificate: * (Max 500 characters)

We are looking at proposals for 40 George Square with the focus shifting to stabilisation and consolidation of the facade for health & safety reasons. We are currently in early stages of exploring options for this which includes a light gauge stainless steel open mesh system offering robust protection against slate failure. This would be tension tight to the slate and windows to secure the fabric and would cover the principle elevations.
