Addition of EV charger to charge future EV purchase. Location would continue to be a private driveway not accessible to the public. House is at end of private road mews so there are not public footfall who would see the charger through the gates.

## Pre-Application Discussion

Have you discussed your proposal with the planning authority? \*

Yes  No

## Pre-Application Discussion Details Cont.

In what format was the feedback given? \*

- Meeting     Telephone     Letter     Email

Please provide a description of the feedback you were given and the name of the officer who provided this feedback. If a processing agreement [note 1] is currently in place or if you are currently discussing a processing agreement with the planning authority, please provide details of this. (This will help the authority to deal with this application more efficiently.) \* (max 500 characters)

The Council advised that installation of an EV charging outlet may constitute permitted development under Class 9E of the GPDO (Scotland), provided it meets the stated criteria. The proposed installation meets the Class 9E definitions and parameters and therefore does not require planning permission. However, the Council advised that listed building consent should be sought to assess any impact on the building's architectural and historic character.
